SUMMARY

Senior Product Manager with 10+ years across AI-powered SaaS, conversational AI, and API-first platforms. Shipped enterprise conversational AI to 30+ clients at 95%+ intent accuracy in production, and earlier took a product from early stage through scale, cutting churn by 18% and growing ARR by 1.2M EUR. PMP and CSM certified.

EXPERIENCE

Senior Product Manager, Jinn Live Oct 2024 - Dec 2025

- Owned end-to-end product strategy and roadmap for an AI-powered SaaS platform delivering enterprise chatbot and voice-agent solutions
- Scaled the platform to 30+ enterprise clients, supporting 100K+ monthly interactions in production
- Maintained 95%+ intent accuracy across concurrent enterprise deployments

Senior Product Manager, Ylytic Mar 2022 - Oct 2024

Remote

- Joined as an early product leader and shaped the company's direction from a creator analytics tool into an API-first influencer marketing platform
- Owned product strategy, roadmap prioritisation, and pricing
- Reduced integration time by 60% through improved API design and onboarding flow
- Reduced churn by 18% and grew ARR by 1.2M EUR through a retention-focused roadmap

Product Manager (Consultant), Freelance Aug 2019 - Apr 2022

Plano, Texas

- Partnered with 5+ early- and growth-stage SaaS startups to define product strategy, accelerate product-market fit, and improve delivery outcomes

Early Career, Aon and CoCubes 2013 - 2019

- Assessment design, quality assurance, and analytics roles across enterprise-scale digital assessment platforms, building the operational and data foundation for later product work

EDUCATION

Executive Programme in Business Analytics, IIM Calcutta
